Marshall, MO 65340

You are required by RSMo, **311.220. Counties and cities may charge for licenses — amount — display of license.** Missouri Law, [§311.220 RSMo](#), requires that any individual or business that is authorized to have a State of Missouri Liquor License must also have a valid Saline County Liquor License in order to operate within the county. The Saline County Clerk collects liquor licenses on behalf of the County. The fees vary depending on the nature of the business. Liquor licenses are valid from the dates indicated on the license.

All applicable property taxes in the name of the business must be paid before a liquor license will be issued. Individuals applying for a liquor license may also be required to show proof that property taxes have been paid. The Clerk's office accepts license and permit payments by cash, personal check, money order. The entire amount due for the license or permit must be paid before one can be issued. Please do not send cash through the mail.

Every licensee must be displayed **prominently at all times** on their licensed premises any city or county license designating their premises as a place licensed by the city or county to sell intoxicating liquors.

YOU MAY ALSO NEED A CITY LIQUOR LICENSE

- ❖ If your business is located within any city of Saline County, please contact the City Clerk to determine what, if any, city license is required in addition to Saline County Liquor License.

If you have any questions or need additional information, please contact our office.
